

On the Subject of Dictation

Sphinx of black quartz, judge my vow.

- Press the button labelled "begin" to start cycling through a phrase on the main screen which could contain up to ninety-nine words.
- When the phrase is done cycling, a number will appear on the smaller screen to the right.
- Input the word whose position in the phrase matches the given number. Use the < key to delete the previous input and the return key to submit.
- You can press enter again to have the same phrase cycle again.
